

# Testimonials

The feedback from all of the attendees was great. **Literally, a 97% satisfaction rating was generated from the post event surveys.** But don't worry, we are working on the other 3% and listen to everyone's comments to help us continue to make these events the best around.

Thanks for the great weekend and the great place to stay. Brian and I had fun see you in October.

Brah Dat Ride was off the chain! I moved to Las Vegas from Hawaii and was lucky enough to find H&H and meet the wonderful Michelle. She turned us on to that ride and now that we are back, word is out.

Costa Baja....WOW...Once there, the fun just kept on coming, what a great F%\*K'N TIME!! Thanks Brother. Hope to be there in OCT

The Federale escort was awesome! I can't believe he let me hold his AR-15 and pose for a picture with the corona girls in front of his patrol car! See you in October.

The Titty Twister party was a dream come true. You guys put on a great event. The girls, cold beer, and a lot of good people. Can't wait to do it again ASAP.

The bands were great and the food was just right man! Thanks for treating us so well and hope to do it again real soon. My friends that backed out really missed a great time and I am gonna have fun not letting them forget it.
