## The Party

BiketoberFiesta is a "South of the Border Celebration" of everything that is the best of Babes, Bikes, Beer, and Badass Live Music! The Infamous Costa Baja Hotel again plays host to a long weekend of madness and mayhem! Come on down and join in the cold beer, good burning tequila, stiff shots, live music, erotic entertainment and crazy surprises you're not likely to find anywhere else! We'll start and end the scenic Pacific Coast Highway ride from San Diego Harley and back, with a Federale Escort both ways, just so Mexico will be a safe from us! Of course the best part of the event is the great friends you'll meet at the event; it's hard to tell who will be more fun to watch, the entertainment or the participants. At BiketoberFiesta, you just never know what can happen!

- **WELCOME PARTY** – At the **Modelo Draft Welcome Party** the kegs will flow non-stop during an all you can drink feast to get the weekend started. Also for the taking will be shots of El Jimador Tequila and Jim Beam Bourbon Whiskey. For the ear, Mississippi born and Chicago bred **Dave Riley and his Blues Band** are gonna throw at you some authentic Delta & Chicago style blues.

- **PSYCHO CANTINA FIESTA** – Friday night after the Welcome Party we're gonna party hard. Live Music, Exotic Entertainers, Circus Midgets, and the Swing Shift Sideshow. Don't blame the **Rattlesnake Tequila**, your not hallucinating; what you will be seeing, feeling, and touching is real!

- **LIVE MUSIC & EXOTIC ENTERTAINMENT** – The days of erotic entertainers performing their craft to a live band seem to be long gone, but at the Gila Bar & Terrace we're bringing it all back just for BiketoberFiesta. And fittingly so, the group that will make the sound is **Route 69 Hot Classic Rock Band** from right here in Ensenada. During our last event, Run for the Border, they had they best seat in the house as they turned out Tito & Tarantula songs while our own "**Mistress of the Macabre**" poured bottles of tequila down her leg into the thirsty mouths of the attendees at the base of the stage at our Titty Twister Party.

- **WET T-SHIRT CONTEST** – A bike rally, ride, or event just ain't complete without one, is it? There may be a few local girls that might compete, but please lady attendees, let's make this an interactive event! There will be a **\$200 prize for the winner** and we will pick judges right from the crowd.

- **BEER CHUGGIN & PICKLE LICKIN CONTEST** – For the beer drinking masters we will have a good ol' Beer Chug Contest to see who can slam em down the fastest and Crown him or her the **BiketoberFiesta Beer Chug King of 2010**. Coney Island has its hotdog eating contest, but BiketoberFiesta will have our very own Pickle Lickin Contest. The speed at which the pickle is consumed is not necessarily important, "Style" will determine the **BiketoberFiesta Pickle Lickin Queen of 2010!** Female participation only is strongly encouraged.

- **SWING SHIFT SIDESHOW a.k.a. THE FREAKS** – For our inaugural Run for the Border event we were lucky enough to have **Swing Shift Sideshow** scare the shit out of us during our Titty Twister party. Really guys, you may have been to Thailand, you might have searched the web for the craziest stuff you could think of, you could even be P.T. Barnum's love-child that has grown up with carnies and circus performers, and I still bet Jenn, Kelvetica, and Andrew are gonna show you a couple things that blow your mind. You may have even seen them make Sharron Osborne cover her eyes on Americas Got Talent a couple months back? Well that was just a preview, **at BiketoberFiesta you'll get what the sensors would never allow on network television, or even cable for that matter!**

- **STEAKS, SEAFOOD, & AUTHENTIC MEXICAN FOOD** – We surveyed last years attendees and the response was overwhelmingly positive regarding our **Mesquite Grilled Steaks, Fresh Pacific Seafood, and Authentic Mexican** dishes available at our bar, pool, and restaurant. We will have three chefs and multiple stations serving up great food from sun-up to the wee hours of the morning.

- **RATTLESNAKE TEQUILA** – This is an exclusive local delicacy discovered at an ol timer's ranch out in the Baja desert by Jim and Pete a couple years back. Though both well respected tequila aficionados in their own right, when they came upon a small barrel of aging tequila being seasoned with the carcass of a Baja rattlesnake it brought a whole new chapter to the tequila experience. **And some people think a little worm in their bottle makes them bad-ass?!** Not at BiketoberFiesta, we take our tequila with a rattlesnake back!

- **SUNDAY EXPLORATION DAY & GILA IMPROV PARTY** – This is a free day to hit the town and experience the bars, restaurants, historical places, and attractions that Ensenada has to offer. Sunday night at the Costa Baja Hotel we will have a **“It’s Your Place” Improv Party** where we can just play it by ear and see what the night brings; poker games, dart contest, foosball, relax at the pool, call in some local mariachis, etc. Something laid back so everyone will be fresh for the ride back home Monday morning (unless your in for the free Hardcore Bandito Option and are staying an extra day, in that case you will probably party like hell).

**POOL PARTY** – We have another great pool party planned with great live music, interactive contest, cold beer, burnin tequila, and best of all a lot of **great people** to hang out with and get to know. The last event had people from 8 States, Mexico, and Canada!
