

## The Ride

Everyone will meet at San Diego Harley Davidson to depart for Ensenada at approximately 4:00pm October 8, 2010. The BiketoberFiesta Group will rendezvous with the Federales Escort immediately after crossing the border. From there the group will hit the Scenic Pacific Coast Highway for an unforgettable ride down the coast to Ensenada. The Corona girls will be waiting with beer on ice as each bike rolls across the red carpet entry at Costa Baja Hotel. The Official return ride will leave at approximately 12 noon on October 11, 2010 and will also be escorted by the Federales to make sure all you "wild-childs" don't get out of hand. If some of you need to return to the states on Sunday there will be an un-official guided ride to the border on Oct 10, 2010. And don't forget the Hardcore Bandito Option, if you don't really care about the group ride and just can't wait to party, every registered guest can come down a day early and/or stay an extra day and the Costa Baja Hotel is going to COMP your room!\*\*

\*\* The Hardcore Bandito Option is for Registered Attendees of BiketoberFiesta only. If you would like to receive this offer you must contact [arowland@ypresorts.com](mailto:arowland@ypresorts.com) in advance and request it.

## DOCUMENTATION

**When crossing from USA to Mexico by Car or Motorcycle you will require all of the following documentation:**

- Valid US Drivers License
- Valid Registration
- Mexican Liability Insurance \*\*

**When you are crossing back into the USA from Mexico you will require one (1) of the following four (4) options:**

**OFFICIALLY** – *On June 1, 2009, U.S. citizens returning home from Canada, Mexico, the Caribbean or Bermuda, by land or sea, will be required to present one (1) of the travel documents listed below.*

1. U.S. Passport – This is an internationally recognized travel document that verifies a person's identity and nationality. It is accepted for travel by air, land and sea.
2. U.S. Passport Card – This is a new, limited-use travel document that fits in your wallet and costs less than a U.S. Passport. It is only valid for travel by land and sea.
3. Enhanced Driver's License (EDL) – Several states and Canadian provinces are issuing this driver's license or identification document that denotes identity and citizenship. It is specifically designed for cross-border travel into the U.S. by land or sea.

**UN-OFFICIALLY** – *Prior to the Official June 1, 2009 requirement a copy of your Birth Certificate and a Valid Drivers License were acceptable documents for re-entry back into the US. It has been reported that approximately 40% of persons are still crossing with a Birth Certificate and a Valid Drivers License. However, you will experience additional questioning, most likely a secondary inspection, and receive some type of verbal or written notice about the new requirements.*

4. Valid Drivers License & Copy of Birth Certificate

\*\* A few US insurance providers will extend collision and comprehensive coverage into Mexico, but the only valid liability insurance in Mexico is one that is issued by a Mexican Carrier. **Liability Insurance is mandatory in Mexico and must be issued by a Mexican Carrier!** Please use the link below to purchase now online.
